

**MSc by Research in Electrical and Electronics Engineering
Academic Year 2020-21**

Internal Evaluation by Students - UNIWA-MODIP anonymous questionnaire

QUESTIONS (1 to 32)	Sample	Average Answer (Scale: 0=Low to 5=High)	Verbal characterization of scale
1. Were the objectives of the theoretical course clear?	32	4.6	Very much
2. Did the material meet the learning objectives of the course?	32	4.3	Much
3. Please indicate the course's structure.	32	4.3	Much
4. Did the learning material used help understand the subject?	32	4.3	Much
5. Was the course material (textbooks, notes, added bibliography) provided in time?	32	0.9	Yes
6. Did you find the provided textbook competent?	28	4.1	Much
7. Were supplementary notes provided?	29	0.6	Yes
7a. If yes, then rate the adequacy.	21	4.3	Much
8. Please indicate the availability of the bibliography in the University Library.	14	3.4	Moderately
9. Is knowledge from other subjects required to attend the course?	30	0.3	No
9a. If yes, are they covered from other taught courses?	17	3.9	Much
10. Please rate the level of difficulty of the offered course in the proposed semester.	31	3.4	Moderately
11. Do you need supplementary courses for this subject?	31	0.1	No
12. Please indicate the teaching hours needed for the completion of the material.	31	3.2	Moderately
13. Is there transparency in the assessment criteria?	28	4.4	Much
14. Was the project given in time?	29	4.4	Much
15. Was the available research material in University Library sufficient?	21	4.3	Much
16. Did the teaching staff give you guidelines?	29	4.3	Much
17. Were the comments of the teaching staff useful?	28	4.1	Much
18. Did you have the ability to improve your project?	27	0.4	No
19. Did the project help understand the subject?	29	4.2	Much
20. Please indicate the transmission of knowledge by the teaching staff.	31	4.0	Much
21. Please indicate the punctuality of the teaching staff in their obligations (presence in the courses, assessment results of the projects in a reasonable period of time, office hours, etc.)	30	4.5	Very much
22. Please indicate the cooperation with the students (willingness to answer questions, availability in meetings, etc.)	31	4.3	Much
23. Please indicate the organization of the material presentation.	31	4.2	Much
24. Did they succeed in making the students interested in the subject?	30	4.0	Much
25. Do they encourage students to set out their queries and questions in order to improve their judgement?	31	4.3	Much
26. Do they use Information and Communication Technologies for teaching and consolidate learning? (use of projectors during the lectures, turning in assignments in e-class platform, e-class, etc.)	31	4.4	Much
27. How often do you attend your lectures?	30	4.8	Very much
28. Do you understand the teaching material?	30	4.3	Much
29. Do you turn in your assignments?	27	1.0	Yes
30. How many hours do you spend weekly studying the course?	29	2.8	5-6
31. In your opinion, how many hours of studying are needed for successfully completing the final examination?	26	3.5	Adequately
32. Is it your first time taking an exam?	31	0.9	Yes

2020-21: Average student answer per question

(scale: 0=low to 5=high)
