

<b>MSc by Research in Electrical and Electronics Engineering</b>			
<b>Academic Year 2021-22</b>			
<b>Internal Evaluation by Students - UNIWA-MODIP anonymous questionnaire</b>			
<b>QUESTIONS (1 to 32)</b>	<b>Sample</b>	<b>Average Answer (Scale: 0=Low to 5=High)</b>	<b>Verbal characterization of scale</b>
1. Were the objectives of the theoretical course clear?	17	4.7	Very much
2. Did the material meet the learning objectives of the course?	17	4.8	Very much
3. Please indicate the course's structure.	16	4.8	Very much
4. Did the learning material used help understand the subject?	17	4.8	Very much
5. Was the course material (textbooks, notes, added bibliography) provided in time?	12	1.0	Yes
6. Did you find the provided textbook competent?	6	4.5	Very much
7. Were supplementary notes provided?	16	0.9	Yes
7a. If yes, then rate the adequacy.	16	4.8	Very much
8. Please indicate the availability of the bibliography in the University Library.	3	5.0	Very much
9. Is knowledge from other subjects required to attend the course?	17	0.2	No
9a. If yes, are they covered from other taught courses?	4	2.8	Moderately
10. Please rate the level of difficulty of the offered course in the proposed semester.	17	2.9	Moderately
11. Do you need supplementary courses for this subject?	17	0.2	No
12. Please indicate the teaching hours needed for the completion of the material.	17	3.2	Moderately
13. Is there transparency in the assessment criteria?	15	4.8	Very much
14. Was the project given in time?	15	4.8	Very much
15. Was the available research material in University Library sufficient?	9	5.0	Very much
16. Did the teaching staff give you guidelines?	16	4.9	Very much
17. Were the comments of the teaching staff useful?	16	4.9	Very much
18. Did you have the ability to improve your project?	15	0.7	Yes
19. Did the project help understand the subject?	16	4.8	Very much
20. Please indicate the transmission of knowledge by the teaching staff.	17	4.8	Very much
21. Please indicate the punctuality of the teaching staff in their obligations (presence in the courses, assessment results of the projects in a reasonable period of time, office hours, etc.)	16	4.9	Very much
22. Please indicate the cooperation with the students (willingness to answer questions, availability in meetings, etc.)	17	4.9	Very much
23. Please indicate the organization of the material presentation.	17	4.9	Very much
24. Did they succeed in making the students interested in the subject?	17	4.8	Very much
25. Do they encourage students to set out their queries and questions in order to improve their judgement?	17	4.9	Very much
26. Do they use Information and Communication Technologies for teaching and consolidate learning? (use of projectors during the lectures, turning in assignments in e-class platform, e-class, etc.)	17	4.8	Very much
27. How often do you attend your lectures?	17	4.7	Very much
28. Do you understand the teaching material?	17	4.2	Much
29. Do you turn in your assignments?	16	1.0	Yes
30. How many hours do you spend weekly studying the course?	17	2.1	3-4
31. In your opinion, how many hours of studying are needed for successfully completing the final examination?	14	2.6	Medium
32. Is it your first time taking an exam?	16	0.9	Yes
